Swiss Tax Update for Multinational Companies

PwC and Greater Zurich Area Inc. kindly request the pleasure of your company for a briefing on Switzerland, followed by Swiss wine & chocolate.

Switzerland is an attractive location for multinationals seeking to centralize global business functions. To learn more, please join the investment specialists from Greater Zurich Area Inc. and tax experts from PwC, who will elaborate on the latest tax planning strategies for US Multinationals, and on Switzerland as a hub for European and EMEA business activities.
